

NORTH PARISH OCTOBER 2015 NEWSLETTER

THRU THE HANDS OF GOD -
ONE HAND HELPING ANOTHER
(North Parish's Mission Statement)

On Sunday, October 4th, we will kick off our annual giving campaign: "God the Giver"

Over six weeks, we will explore together, how acknowledging God's generosity to us can unleash greater generosity in ourselves. Archbishop Desmond Tutu in his book, "In God's Hands" says, "This is a God who intervenes on our behalf, not because we deserve it, but because God's love is freely given. It is grace. It is not earned; it cannot be earned. It does not need to be earned." God is the Giver; the ultimate lover of all God has created.

Your generosity, in response to all God has given you, generates mission and changes lives.

Here is our road map for the next six weeks of our *God the Giver* Campaign:

- Beginning on Sunday, October 4 and continuing through Sunday, November 8, you will find reflections written by Episcopal stewardship leaders across the country, covering stewardship and faithful giving in connection with the Gospel reading of the day in your worship bulletin.
- Pray over what your pledge will be over the next six weeks. There will be a pledge card available in the November Newsletter. Bring your pledge card to worship on Sunday, November 8th.
- On November 8th, we will celebrate Commitment Sunday, the culmination of our exploration, when pledges will be completed and offered as an act of worship and in response to all that God has provided.

We pray that your giving will come from a deep abiding sense of gratitude for the gift of this community and the gift we have in Jesus, the one who does not leave our side. Giving generously gives us strength and hope for the journey ahead.

Thank you for your continued financial support to North Parish!

GRACIOUS GOD, source of all creation, all love, all true joy: accept, we pray, these outward signs of our profound and continuing thankfulness for all of life. Keep each of us ever thankful for all the blessings of joy and challenges that come our way. Bless those who will benefit from these gifts through the outreach of the United Thank Offering. This we ask through Him who is the greatest gift

NEWS FROM MARION C.PRICE TRUST FUND

Flu Vaccine – Will be available very soon. It is the best protection against the flu this season.

Flu vaccination can reduce flu illnesses, doctor visits and missed work and school, as well as prevent flu-related hospitalizations and deaths. It is especially important to get the vaccine if you, or someone you live with, or someone you care for is at high risk for complications of the flu.

A flu vaccine is needed every season for two reasons. First, the body's immune system response from the vaccination declines over time, so an annual vaccine is needed for optimal protection. Second, because flu vaccines are constantly changing, the formulation of the flu vaccine is reviewed each year and sometimes updated to keep up with changing viruses. For the best protection, everyone 6 months and older should get vaccinated annually.

It takes about two weeks after the vaccination for antibodies to develop in the body and provide protection against influenza infection. In the meantime, you are still at risk for getting the flu. That's why it's better to get vaccinated early in the fall, so you are protected before the flu begins spreading in your community. However, as long as the flu virus is circulating, vaccination should continue throughout the flu season. Flu season usually peaks between December and February, but activity can last as late as May, so it is never too late to get the vaccine.

Talk to your health care provider about the vaccine if you have: a severe allergy to chicken eggs or any other ingredients in the vaccine, a history of severe reaction to a flu vaccination, a moderate-to-severe illness with a fever or have a history of Guillian-Barre Syndrome.

Senior Adventures – Thursday, October 15th we are traveling to Eagle Rock Resort in Hazleton. Come and join us for a leisurely ride and view our beautiful fall foliage.

Motor Vehicle Registration – Under this program, certain retired individuals can register their car or truck for an annual \$10 fee, instead of the usual \$36 or \$54. You are eligible if you are retired on a fixed income that does not exceed \$19,200. You can get the necessary forms from local notaries public, the Office of Senior Services or local Department of Motor Vehicles.

Charitable Giving – Legitimate charities need your help. Before giving, however, you should make sure that a charity deserves your contribution by following these tips for informed giving.

- Know your charity. Do not be tricked by an impressive-sounding name or one that is similar to a well-known charity.
- Know how your money will be spent. Find out how much of your donation actually goes to helping people and program services, as opposed to fund-raising and administrative expenses. You may obtain this information by calling Pennsylvania's Bureau of Charitable Organizations, toll-free at 1-800-732-0999.
- Know your charity's goals.
- Telephone solicitors. Because telephone solicitations are typically conducted by paid professional fund-raisers on behalf of the charity, ask the caller if he/she is paid or a volunteer and how much the charity receives of each dollar donated. Never give your credit card information over the phone.
- Door-to-door solicitations. ***Demand Identification!*** Do not feel pressured by the person at the door. The best practice is to mail your donation directly to the charity.
- Do not be pressured into giving. Take time to think about your donation. High-pressure tactics and sob stories often are the signs of unscrupulous operators.
- Unordered merchandise. You have no obligation to pay for greeting cards, tickets, advertising, merchandise or any other item you never asked for, nor are you obligated to return them.
- Method of payment. If you decide to contribute, pay by check. Make check payable out to the charity, not to a company or the individual collecting the donations and send it directly to the charity. Never pay cash or use your credit card number in response to a request by a stranger.

Energy Assistance – If you own or rent a residence and meet income requirements, you may be able to get help paying winter heating bills through the **Low Income Home Energy Assistance Program (LIHEAP)**.

LIHEAP is operated by the PA Department of Public Welfare but no lien is placed on your home and you are not required to pay the assistance back.

You do not need to be on public assistance or have any unpaid heating bills to qualify.

Income limits and funding availability are determined annually.

For more information call Kathy Burda at 570-621-3220.
